SINGLE-USE KIT ACTIVATION LABEL

Apply the unique activation-code label here. The printed master QR remains static and contains no personal data.

CONNECTED-PAGE NOTICE

Digital entries are visible to authorised NexQ3 staff assigned to your programme. Participants under 18 need guardian approval. Do not record passwords, government IDs, banking details or confidential third-party information.

How to use RE-HUSLE

Use the booklet to choose direction. Use one execution sheet each day. Keep every entry short enough to act on.

01 Plan briefly

Name one successful result and three actions.

02 Choose evidence

Decide what link, file, message or outcome will prove the work.

03 Scan or enter

Open the matching digital form with the static Sync ID.

04 Review honestly

Separate completed evidence from intention and carry forward only what matters.

05 Request help early

State the blocker, urgency and exact support you need.
